I just tried to design there:

THE POWER UP

Grow your list with ease

Create a form

Klaviyo's form builder allows you to create stunning and customizable forms effortlessly, styling them perfectly with your brand's aesthetics and capturing the attention of your visitors.

Drag-and-drop simplicity

No coding skills required! Build your forms intuitively with our easy-to-use interface.

Advanced personalization

Target your forms to specific customer segments for highly relevant interactions.

Seamless integration

Connect your forms directly to Klaviyo's powerful email marketing platform for seamless data syncing and automation.

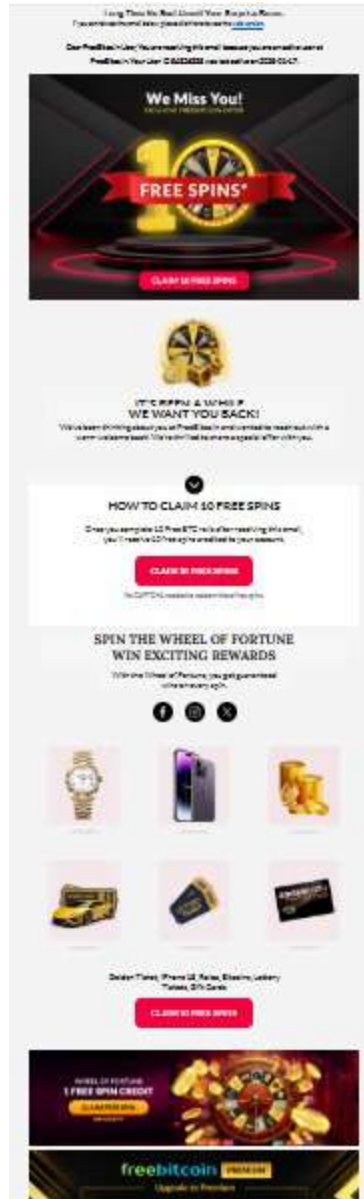

Real-time analytics

Gain insights into form performance, conversion rates, and engagement to optimize your campaigns.

At this point in your Klaviyo journey, you should have at least one pop-up form live to build your list and create more conversion opportunities. Include a bonus conveying the value of joining your list and aim for an average visitor submit rate of 2.75% to drive great list growth.
